

# BECOMING A RADICAL MAN

## A Weekend Intensive

February 26–28, 2010

Are you ready to live beyond playing it safe and playing the game? To risk everything for the sake of living a life full of passion, clarity, fulfillment, joy, and connection? To be the kind of man who you dream of being: clear, strong, powerful, confident, loving, peaceful, passionate?

### In this experiential weekend, you will be supported in:

- Practicing radical honesty with yourself and others
- Experiencing the power of being fully in the present moment
- Getting out of the mind and into the body
- Integrating your spirituality and sexuality
- Cultivating a profound spiritual connection that nourishes, guides, and inspires you to greatness
- Experiencing authentic, engaging, meaningful and fulfilling relationships with other men
- Feeling confident, attractive, and sexy
- Embracing your power, lovingness, and passion
- Experiencing and rediscovering who you really are

Using body-based practices such as breath, movement, ritual, awareness, as well as engaging in authentic relationship with one another, we will create a solid, safe container to go deep, open up, and get real with ourselves and each other.
